## Candidate's Questionnaire 2018

**Q10** What will you do to ensure people with disabilities, who identify as members of other marginalized communities (e.g. black/brown, LGBTQ, immigrant, etc.) know they are welcome to live and pursue their full potential in Illinois? In other words, how can you address systemic oppression against multiply marginalized disabled people?

On the federal level, I support including sexual orientation a protected class and the Disability Integration Act.

---

**Q11** How will you ensure a free and appropriate public education for Illinois students with disabilities?

I support full federal funding to implement IDEA Act.

---

**Q12** How will you work to expand affordable, accessible, integrated housing options in Illinois?

Illinois does not receive its fair share of federal tax dollars. I support shifting federal funding priorities to human services, health care, education and infrastructure.

---

**Q13** What would you do to make Illinois more compliant with the Ligas, Williams, and Colbert Consent Decrees?

On the federal level, I will advocate and vote for the Disability Integration Act.

---

**Q14** How will you play a role in making business accessible to all customers with disabilities?

I oppose the ADA Education and Reform Act of 2017 which gutted the business accessibility provisions of the ADA. My incumbent opponent voted in favor of its passage.

---

**Q15** What will you do to provide full and equal access to public transportation in Illinois?

I support Titles II and III of the ADA providing for accessible public and private transportation.

---

**Q16** How can wages for Illinois' Personal Assistants, Direct Support Professionals, Community Care Program and Homemaker service providers be improved and/or stabilized?

I support increasing the federal minimum wage to \$15 an hour to keep pace with increased inflation and worker productivity.

---

**Q17** Illinois has 19,000+ residents with disabilities on the PUNS (Prioritization for Urgency of Need for Services) waiting list. Thousands more are waiting for DON (Determination of Need) assessments to become eligible for home and community-based care. What concrete steps will you support to reduce these backlogs and improve Illinois' laggard status (we rank #47) when it comes to home-based disability services for eligible Illinoisans?

As a federal candidate I can amplify the need for Illinois to prioritize funding to eliminate waitlists and the backlog of DON assessments. I will advocate and vote for the Disability Integration Act on the federal level.
