DISABILITY ISSUES LEGISLATIVE MEET AND GREET

Two Dates! April 11 and April 24. Come to one or both!

Both events are 3:30 to 5:30 pm.

Both events will be held at the Illinois Network of Centers for independent Living (INCIL) office.
Location: 1 West Old State Capitol Plaza (the Myers building), Suite 501, Springfield.
INCIL serves people with disabilities in 93 of the 102 counties in Illinois!

Legislators and disability advocates are encouraged to informally gather and discuss Illinois legislative issues affecting people with disabilities.

Many Illinois legislators are great champions of disability rights;
these events are a great way to check in on what's important right now.

Legislators can share about bills they are championing, and people with disabilities will share about issues that affect their lives.

Light refreshments will be served. Please avoid wearing fragrances.
ASL interpreters will be available; other disability accommodations should be requested in advance.

The INCIL office is wheelchair accessible.
